What is Exploring Computer Science (ECS)?

- A high school introductory course to the world of computer science and problem solving.
- ECS aligns with college preparation coursework and Career and Technical Education pathways.
- Students are introduced to the breadth of Computer Science through an exploration of engaging topics. Problems are contextualized to be relevant to the lives of today's students.

Contacts:

Dr. Mohammed A. Qazi
mqazi@tuskegee.edu
Dr. Jeff Gray
gray@cs.ua.edu

Requirements/Application:

- One teacher per school
- Schools must commit to offering ECS in the 2020-21 school year and beyond.
